

PARENT HOSPITALITY PACKAGE

Tartu
Culture
Cup

2nd – 5th of August
2023

Football is more than just a game – it's a culture! As much as players on the field, supporting fans on the sidelines contribute to creating a great football atmosphere. We firmly believe that any great youth football festival is not only for the players and thus our genuine intention is to put extra effort to provide travelling parents with the very best hospitality that Tartu has to offer!

During the Culture Cup the city will be buzzing with summer vibes, as the beginning of the August is historically the peak of Tartu summer season. The same week and weekend as the football festival, two multi-day events that are hugely popular among locals – **Wine- and food festival** and **outdoor romantic film festival Tartuff** – are also taking place in the city centre. Combine it with countless open-air cafes and restaurants and you will get a recipe for great summer city vacation.

As our goal is to connect people, we will organize **a special parent reception** which gives parents and coaches alike a possibility to mingle, listen to presentations and live acts and just to enjoy the “lighter side of the festival”. Also, the most active “supporter army” of the festival will be awarded during the reception and receive a special surprise!

Exclusive Parent Hospitality Package includes:

- Accommodation and breakfast at **premium-class hotel** with access to SPA facilities (for extra charge)
- **Free admission** to parent reception (on the evening of 4th of August)
- **Ticket** to Wine- and Food Festival area (starting from 4th of August)
- **Special offers** from festival partners – bars, restaurants, and leisure
- **On-demand** festival guide service
