Tartu Culture Cup 2024

01st - 04th of August

**Welcome to Tartu -
the European Capital
of Culture 2024**

EUROPEAN CAPITAL OF CULTURE 2024!

Tartu Culture Cup is an exciting new football festival held in Estonia's second-largest city during the peak of summer. The festival's goal is to unite international participants in celebrating football, summer, and friendship. Our goal is to convey that football is so much more than just a game - it's a form of culture!

Tartu Culture Cup will place additional emphasis on offering young footballers, coaches, parents, and supporters an exceptional off-the-pitch program of activities. We aspire to create a stress-free yet competitive festival environment for all Culture Cup visitors, allowing them to recharge and take away a wealth of positive emotions as they kick off the football season.

The timing of the event has been thoughtfully selected to enhance the festival experience for everyone. The beginning of August is the most vibrant and buzzing period of Tartu's summer, as the city hosts an outdoor film festival and a local food festival. There is a lot to do and see in one of the oldest cities in the Baltic region, and the festival's compact format allows visitors to fully enjoy their time in Tartu.

The Tartu Culture Cup has been held for two consecutive years, and our aim is to establish it as an annual tradition. As organizers, our goal is to invite numerous teams from various countries to compete here in Tartu. In 2023, the Tartu Culture Cup welcomed participants from Spain, Ukraine, Lithuania, Latvia, and Finland. Our objective is to double the number of participating countries and promote the global football culture!

Finish your summer with positive emotions and new friends - lots of everlasting memories!

We invite boys U8-U17 & girls U12-U16 to score their 'hat-trick' of fun and excitement at the third annual Tartu Culture Cup!
