

PARENT HOSPITALITY PACKAGE

Tartu
Culture
Cup

1st – 4th of August
2024

Football is more than just a game – it's a culture! Just as players on the field, the supporting fans on the sidelines contribute to creating a great football atmosphere. We firmly believe that a truly great youth football festival is not only for the players, and thus, our genuine intention is to put in extra effort to provide traveling parents with the very best hospitality that Tartu has to offer.

During the Culture Cup, the city will be buzzing with summer vibes, as the beginning of August historically marks the peak of Tartu's summer season. In the same week and weekend as the football festival, there are taking place several immensely popular events among locals - **multiple art exhibitions and installations** and the **Big Summer Celebration Party** are also taking place in the city centre. Combine this with numerous open-air cafes and restaurants, and you have the recipe for a fantastic summer city vacation.

As our goal is to bring people together, we will organize a **special parents'** reception, providing both parents and coaches the opportunity to socialize, listen to presentations, enjoy live acts, and savor the "lighter side of the festival." Furthermore, we will acknowledge and reward the festival's most dedicated "supporter army" during the reception, presenting them with a special surprise!

Exclusive Parent Hospitality Package includes:

- Accommodation and breakfast at premium-class hotel with access to SPA facilities (for extra charge)
- Free admission to parent reception
- Special offers from festival partners – bars, restaurants, and leisure
- On-demand festival guide service
