# WELCOME TO TARTU

Lots of everlasting memories

Tartu Culture Cup is an exciting new football festival held in Estonia's second-largest city during the peak of summer. The festival's goal is to unite international participants in celebrating football, summer, and friendship. Our goal is to convey that football is so much more than just a game - it's a form of culture!

There is a lot to do and see in one of the oldest cities in the Baltic region, and the festival's compact format allows visitors to fully enjoy their time in Tartu.

Tartu Culture Cup has been held for three consecutive years, and our aim is to establish it as an annual tradition. As organizers, our goal is to invite numerous teams from various countries to compete here in Tartu. In 2023 and 2024, the Tartu Culture Cup welcomed participants from Spain, Czech Republic, Ukraine, Lithuania, Latvia, and Finland. Our objective is to double the number of participating countries and promote the global football culture!

Tartu Culture Cup will place additional emphasis on offering young footballers, coaches, parents, and supporters an exceptional off-the-pitch program of activities.

We aspire to create a stress-free yet competitive festival environment for all Culture Cup visitors, allowing them to recharge and take away a wealth of positive emotions!
